

**CHATEAU SOUVERAIN
CABERNET
SAUVIGNON 2017**

This week we wanted to highlight our Curbside Pickup program with a smoking price on a fan favorite. Just visit our website at www.superiorliquor.com and click on the 'Shop Online' option in the top-right of our homepage. Then, set up an online account and in the 'search by keyword,' also in the top-right of the page, type in 'Souverain.' Look for this tasty Cabernet in the drop down window or scroll down the page and you will see it! This California Cabernet is easy, fruit forward and delightful. A great value for a varietally true Cabernet that is a very versatile option with anything from the grill. Also, perfect for just hanging out at the fire pit to watch the sunset! Rich with dark fruits, nicely rounded tannins and a smooth, balanced finish!

They say everything is better with bacon; I couldn't agree more. This week enjoy a little delectable cheese from Vermont with Cabot's Smoky Bacon Cheddar. This hearty, full flavored cheese is lactose-free and perfect for melting onto a burger, dicing up into a salad, or shredding onto a baked potato. So if you're achin' for some bacon (can you tell I've watched the Lion King recently?) then be sure to swing by and grab a bar of the Cabot Bacon Cheddar, usually \$5.99, on sale for only \$3.99. Cheers and Bon Appetit!
