

### COEUR CLEMENTINE ROSÉ 2017

Whenever I get the opportunity to be in other markets I like to check out what's going on in retail there. Well, my uncle got married over the weekend in Tucson so I poked around a bit while we were in between activities. The bottom line from what I discovered was that in Colorado we are SO lucky to have such a selection at our fingertips! Adrian, Jamie and I are very grateful to be able to bring in a wide variety of wines and especially have the huge selection of rosé that we do! This Coeur Clementine Rose 2017 is just one amazing example in a sea of pink! It checks all the boxes of a great rose from Provence. Bone-dry, with wonderful minerality and distinct floral notes only found in wine from this region. The blend of Grenache, Cinsault, Mourvedre and Tibouren is a great sipper and pairs best with poultry or perhaps a smoked salmon. My mouth is now watering! Cheers!

## WINE

This week as the sun makes an appearance again it's time to get out, have some fun, have a beer, a glass of wine, and have a ball while doing it; a ball of Rio Briati's fresh Mozzarella that is! Mozzarella is a well-loved classic for its delicate, fresh and creamy milk flavors. I love slicing mozzarella up with fresh tomato, basil and a drizzle of balsamic but it's also the perfect complement to salads, homemade pizzas, sandwiches or melting over some chicken cutlets. Usually \$4.99 per 8oz ball, the Rio Briati fresh Mozzarella will be on sale this week for \$2.99, making not only your taste buds happy but your wallet as well. Cheers and Bon Appetit!

JAMIE'S SELECTION

### ESSER VINEYARDS PINOT NOIR 2014

Pinot Noir is one of those varietals that seems to go with everything. You can pair it with a vast array of food, and its light, low tannin profile makes it an easy choice to sip on its own. I get requests for Pinot recommendations under \$15 all the time, and it is tricky to find one at that price point that stays true to the varietal. I am a big fan of the Esser Vineyard wines because they have accomplished just this; capturing extraordinary varietal character and an Old World essence. Grown on sustainably farmed vineyards in the Central Coast region of California, this Pinot Noir has a cool climate feel expressing dark cherries, sweet tobacco, and the slightest touch of oak. Warm weather or rain, this is the everyday red that should be swirling in your glass! Cheers!

### AVERY BREWING

Fit to adorn your porch this summer is the newest seasonal release from Avery Brewing Company. As a sour ale conditioned on mint, lime zest, and ginger, Bug Zapper was brewed to emulate a refreshing mojito. The pour is an effervescent sunburst yellow topped by a diminishing eggshell head that releases an electrifying aroma of lime and ginger with hints of peppery sour culture. On the palate cooling whiffs of menthol pervade with each sip while a complex body of puckering lime and funky Brett flavors of apple skins and lemon dry out the tart finish. Bright flavors and a lively mouthfeel make Bug Zapper the perfect porch sipper this summer but make sure to stock up as this all-too-limited release wont be around for long. Cheers!

## LEOPOLD'S SUMMER GIN

**It's back and just in time for summer!**

This bright, citrus-forward, vibrant gin truly captures the summer season. Summer Gin by Leopold Bros., Small Batch Distillers, has crafted a unique, seasonally inspired gin for warm weather and relaxing times under a golden summer sun.

This gin has a very approachable and softer presentation than other gins, which are too harsh with botanicals overpowering the gin drinking experience. On the nose it has the traditional smell of juniper berries with a citrus background. On the palate there is a juniper and coriander taste with hints of a more lemon forward citrus. Leopold's has crafted a unique, seasonally inspired gin for warm weather and relaxing times under a golden summer sun. This gin is incredibly easy drinking and a great option for new gin drinkers. Come check out Leopold's Summer Gin TODAY!!!!!!!!!!!!!!!!!!!!!!

Cheers!
