

**FERRARI CARANO
CHARDONNAY
2016**

NATHAN Lovers of classic California chardonnay — rejoice! For over thirty years, Ferrari-Carano has been delivering quintessentially Californian fine wines from their impressive estate in northern Sonoma County, and this delicious chardonnay is the latest in a long string of successes. This voluptuous white displays aromas of vanilla, buttercream, and baking spice that hover atop intense flavors of ripe golden apple, butterscotch, pineapple, and dried fig. Put this rich and smooth chardonnay right along side your next overstuffed lobster roll, fruited curry chicken salad, or dish of Chicken Kiev!

This week's food pick is no laughing matter; it's a laughing cow. An oldie but a goodie Laughing Cow cheeses have been a favorite for decades with its always inviting and jovial cow on its packaging and flavors that are sure to please the palate and put a smile on your face. Their cheese wedges have been a go-to snack of mine since I can remember. My favorite flavors will be on sale this week for \$2.99, usually \$4.99. So fire up your snacking with some Queso Fresco and Chipotle or stick with the always reliable creamy Swiss and French Onion. Just add crackers and your favorite glass of white wine (perhaps some Ferrari Carrano Chardonnay) and enjoy. Cheers and Bon Appetit!

EPIC BREWING

As September arrives it becomes harder to ignore the shorter days, changing foliage, and most of all, freshly packaged pumpkin beers. So like all inevitable change we embrace the pumpkin beer and feature a local favorite: Epic Brewing's Imperial Pumpkin Porter. Pouring black as pitch topped by a thin brown head, this porter releases a pungent aroma of milk chocolate, spices like clove and nutmeg, and hints of pumpkin puree. On the palate, a dry front-end of roasted barley and bitter chocolate develops into a soft and sweeter milky base to quell the sharp spices. Pumpkin remains a supporting ingredient providing the beer with an earthy base while autumnal allspice flavors claim the limelight throughout. For those who find pumpkin beers too rich in cinnamon or pumpkin, Epic Brewing's Imperial Pumpkin Porter is for you. Come pick up a 22-ounce bomber today. Cheers!
