

ARGIANO TOSCANA NC 2016

Meaning unique and unmistakable, kind of like the weather of late, this Argiano Toscana NC 2016 will be a HOT item this week! An amazing Baby Super Tuscan hailing from the prestigious wine making region of Montalcino. A wine region in Italy best known for Brunello (Sangiovese) and making worldly wines dating back to the times of the Romans. This Argiano Toscana NC 2016 pays homage to the intricacies and beautiful nuances of these great wines at only a fraction of the price but delivers "on point" to the skill and thousands of years of experience making world renowned wine. A mouthful of Tuscan and French varietals make up this approachable yet distinguished red wine boasting cherry and black currant in the nose with supple tannin rounding out its firm structure. The blend of Cabernet, Merlot, Syrah and Sangiovese come together for a stand-up glass just on it's own and perfect for beef dishes, venison and of course a hearty spread of all your Italian cuisine favorites! -Cheers

This week I present to you "The King of Cheeses;" Parmigiano-Reggiano. This delicacy has been made the exact same way for eight centuries with a dedication to creating the perfect taste and texture through extremely strict production standards. This crumbly, granular hard cheese is a little piece of heaven. Slightly sharp but very complex and layered flavors that leave a wonderful aftertaste on the tongue. I've been fortunate to find a great brand to represent this cheese: Latteria Sores, whose 7oz wedge will be on sale this week for \$6.99, usually \$8.99. So be sure to pick up a piece to grate onto salads, or a bowl of pasta or try it alone alongside Matt's wine pick of the week (the Agriano Toscana Rosso) for a perfect pairing. Cheers and Bon Appetit!

4 NOSES BREWING

Much has changed for the IPA in the last couple years. Bitterness is becoming less of a highlight as the types and uses of hops keep evolving, opening up the style to those who have adamantly avoided it in the past. Currently the unofficially designated Smoothie IPA is at the hopped-up helm and this week we feature a favorite: Pineapple Velvet, 4 Noses Brewing's take on the sensation. Pouring an opaque pale yellow topped by a thin off-white head, this IPA releases a bright aroma of citrus, pineapple, and hints of muted pine. On the unexpecting palate, a velvety smooth splash of sweet pineapple and vanilla is followed by an even smoother wave of grapefruit rind and resinous pine. Lactose aids in the soft mouthfeel as the vanilla and pineapple combat the hoppy bitterness. While controversy may linger on whether these beers truly fit the style of an IPA, you'll hear no debate over the quality of Pineapple Velvet. Come pick up a 4-pack today. Cheers!
