

ADELSHEIM WILLAMETTE VALLEY PINOT NOIR 2017

This is the time of year for family, friends and traditions. In these traditions we find games, food and of course wine! This Adelsheim Pinot Noir is definitely one of mine and my family's traditions, well, one of several that we enjoy sharing good times and great food with. This Pinot Noir is elegant with personality that only comes with Pinot from Oregon. Ripe fruits of raspberry, pomegranate and dark cherry peak your senses as the breadth of this wine covers the palate with a silky soft mouthfeel that tickles the nose with cocoa and spice. My mind's eye already has me at the dinner table with a, my-eyes-are-bigger-than-my-stomach sized, plate of holiday goodness and a hefty glass of this beautiful Pinot Noir from the Willamette valley. -Cheers

This week I'm bringing the heat with a new line of mustards that will help spice up your sandwiches, pretzels and charcuterie boards; Lusty Monks mustards from Asheville, North Carolina. Quite the name huh? Well back in medieval times mustard was thought to be an aphrodisiac and many monks were forbidden from eating it. However, some monasteries embraced it and this Lusty Monks line is an homage to those monks who made mustard making an art form. Usually \$8.99 per 9oz jar all Lusty Monk mustards will be on sale for \$7.99 this week and will certainly make sure your food is anything but boring. Cheers and Bon Appetit!

Gravity Brewing

This week we feature a sweet Belgian-style Dubbel fit to pair with any dessert menu during the holiday season. Coal Kriek by Gravity Brewing hits all the festive marks with the addition of tart cherries and a complex malt profile alongside a warming ABV. On the nose, this ale releases a cherry filled aroma alongside a barnyard funk and hints of Belgian esters. Sweet flavors of cherry juice and rich plum jam are followed by earthy hops and bread dough. As the beer warms, more delicate flavors of nutmeg, clove, and caramel add a pie-like finish to complement the tart cherry linger. Come impress your friends and family by bringing a 750mL of Coal Kriek to the next weekend dinner and check out the rest of Gravity Brewing's award-winning lineup today. Cheers!
