

CONSORTIUM - CABERNET SAUVIGNON 2016

Adrian

Happy Holidays everyone! It's time to treat yourselves to a delicious bottle of wine made by a supergroup of California wine industry friends including four winemakers, one master sommelier, and two wine industry execs. They called themselves Band of Vintners and set out to make the best Cab in the price range that delivers at a much higher level. I believe they succeeded! Their insider connections helped them secure fruit from Napa's great vineyards, so they were able to start right away with great raw material. The blend is 92% Cabernet Sauvignon, 6% Merlot and 2% Cabernet Franc, and 2016 was a great vintage to be making Cabernet based wines. It leads off with dark and ripe fruit on the nose with hints of oak and transitions to red fruit on the palate mixed with hints of fleshy plum. Also look for floral hints, touches of vanilla, tobacco and baking spices that round the wine out nicely. The fine tannic structure is soft but persistent and well balanced, making it a delicious wine for now or for ageing over the next several years. If you're looking for a great bang for the buck, this is your wine! Cheers!

Don't forget the most important cheese for your holiday fondue; Gruyere! This week the Le Gruyere by Grand Suisse will be on sale for \$9.99, usually \$12.99, per 8oz wedge. Considered an "OG" of the cheese world, being made since at least 1115, Gruyere is held in high regards amongst connoisseurs. Made from 100% cow's milk this is one complex cheese, full of bold nutty nuances with a dense yet smooth texture making it ideal for melting. And no fondue can be authentic without the use of this highly praised cheese. But if fondue isn't quite your thing Gruyere is a great choice for melting onto sandwiches, or French onion soup and is sure to perfectly round out any cheese and charcuterie board. Please be sure to EAT, drink (lots of water) and be merry this holiday season. Cheers and Bon Appetit!
