

COLLESTEFANO VERDICCHIO DI MATELICA 2017

This high-elevation Verdicchio, described by renowned Italian wine critic Ian d'Agata as "possibly Italy's greatest white wine buy", is so pure and lively it almost levitates on the palate -- it's easy to see how this distinctive white has become something of a cult wine. This light-bodied offering is bone dry, undergoes no malolactic conversion, and conveys captivating aromas of ginger and bergamot. The wine explodes on the palate, delivering waves of underripe stone fruit carried by enlivening acidity toward a finish strongly laden with minerality and citrus zest. Wow! Ian was right, this white from the Marche is impossible to beat for the price, especially alongside a crudité platter on a hot day.

In Grafton, Vermont the Windham Foundation, a non-profit organization, has been preserving and enhancing the social and economic health of rural communities through the power of cheese. The foundation supports a number of cooperatives, one being the Grafton Cheese Company who has been making award winning artisanal cheddars for over 50 years. This week be sure to pick up a piece of their Smoked Maple Cheddar, a New England classic, that is cold smoked over maple and hardwood for four hours. Mild, buttery flavors with aromas of campfire and a little sweetness that is reminiscent of toasted marshmallow, this cheese is a summer camping trip in a bite. Melt this cheese onto a ham sandwich with mustard, or chop onto a cheese board with smoked meats and dried fruits and be sure to pair it alongside a glass of Pinot Noir or a Porter. Usually \$6.99 per 8oz wedge the Grafton Smoked Maple Cheddar will be on sale this week for \$4.99. Cheers and Bon Appetit!

ASPEN BREWING

Nothing hits the spot quite like a nice, crisp pilsner at the end of a hot summer day, and Aspen Brewing's Ajax has what it takes to help you enjoy the warmer months the right way. It pours pale gold with a generous head of white foam to help seal in that crisp carbonation, offering up classic lager freshness on the nose with just a hint of lemon. It drinks clean and dry like you'd expect from your favorite big brand lager, but more well-rounded in the malt department with just a casual high-five of hop bitterness on the very back. This brew is crushable. It's shareable. It's easygoing. We could probably all stand to be a bit more like it sometimes. Make sure to bring plenty for everyone, because you're going to want another when you're done.
