

JUGGERNAUT HILLSIDE CABERNET SAUVIGNON 2017

By definition, this wine is a huge and powerful force. When I first tasted this wine I was taken back by the intense fruit and decadent texture that consumed me as I conversely consumed it. This Cab consists of only hillside fruit from the Livermore Valley, Sierra Foothills, Alexander Valley and Lake Valley that provide the distinct 'hillside' flavor profile that is sultry and intense with layers upon layers of complexity. Anise and blackberries engulf the olfaction and are lusciously chased by vanilla, black currant and boysenberry. This big Cabernet will certainly warm you up while watching one of our fantastic sunsets and will undoubtedly accompany that hunk of beast you may be pulling from your grill. Cheers!

There's a little chill in the air this week and it's beginning to truly feel like fall. This is one of my favorite times of the year, especially the cooler evenings when you can throw on a comfy sweater and hang around the fire pit with a glass of wine or a beer. This week's food pick is the perfect combination of nibbles for those evening backyard and porch sessions. Please welcome to your plates Olli Antipasto tray packs. Oliviero Colmignoli, nicknamed Olli, is a salami maker whose family has been creating cured meats since the mid-19th century. With a strong Italian background and a passion for tradition Olli Salumeria opened its doors in the states in 2011 with a mission to produce excellent quality cured meats from happy pigs, utilizing organic ingredients and environmentally friendly production methods. Their Antipasto tray is the idea pairing for these cooler autumn night hangouts combining an array of both Genoa and Sopressata Salami with cubes of Parmesan cheese and Frescatrano olives imported from Greece. Usually \$14.99 per 12oz pack, the Olli Antipasto tray will be on sale this week for only \$11.99 and pairs wonderfully with a glass of Italian white or red and your most comfortable sweater. Cheers and Bon Appetit!
