### JACQUESSON CUVÉE

742 EXTRA-BRUT  
CHAMPAGNE NV

La Revue du Vin de France is a classification of the best wines of France. Six Champagne producers and only 56 domaines in all of France have received a three star distinction. When you think of the elite producers in Champagne, Jacquesson sits alongside Bollinger, Salon, and Selsosse - all of which have achieved the coveted three stars. Sustainable farming practices, and only organic fertilizers are utilized by the revolutionary Chiquet brothers, who have owned the property since 1974. Their Cuvée 742 is unlike other non vintage Champagne in that the best qualities of a given year are highlighted rather than hidden to create a uniform NV style. The 742 blend is 59% Pinot Noir and Meunier and 41% Chardonnay. If you're looking for a truly special sparkling wine this holiday season, look no further. Cheers!

AMELIA

Put a little spice and salsa in your life this week with Sol Del Rio Salsas of Smyrna, GA. After living in the Southwestern United States for over a decade Tony Webster grew a passion for making salsas utilizing roasted green chiles from New Mexico. As a result, he and his wife Beverly began Capstone Foods in 2009, with their Sol Del Rio salsas leading the way for their new founded company. These salsas are among the best I've ever tasted and I'm sure after one bite you'll be saying the same thing. Available in three flavors; Verde, Medium and Hot, these are the perfect salsas to have on hand for any party or to top off your favorite nachos and tacos with! Usually \$8.99 per 16oz jar, all three flavors will be on sale this week for only \$6.99! Cheers and Bon Appetit!
