**KLOOVENBURG 'THE GATEKEEPERS' WHITE BLEND 2019**  
**MATT** Since Piet and Barbara du Toit took the reigns of the Kloovenburg farm in 1957, their vineyards have been guarded by sculptures of Piet's falcon and Barbara's owl. The patriarch's falcon patrols the vineyards during the day and the matriarch's watchful owl guards from her perch at night. Some of the precious fruit they keep from danger is found in this marvelous white blend from their Swartland vineyards. A textured white blend of 78% Chenin Blanc, 13% Grenache Blanc, 6% Verdelho and 3% Roussanne. With a bouquet of field flowers and citrus, this wine is packed with notes of peach, tangerine and melon rinds. The layers of soft fruits and a springy mouthfeel make for a mouthwatering white blend that is a perfect match with grilled fish over pasta with white sauce and steamed veggies.  
 -Cheers!

**AMELIA** St. Patrick's Day is around the corner, and as you stock up on your favorite Irish beer or whiskey don't forget to bring home the cheddar! To help get you in the spirit this week's food pick features two Irish cheddars by Truly Grass-Fed Farms. Truly Grass-Fed's mission is to create the best dairy products with the highest standards in both production and ingredients. Using wholesome dairy from cows living their best lives, these tasty cheeses are non-GMO verified as well as free of any hormones or antibiotics. For a creamy and perfectly sweet flavor try their aged cheddar, my personal fav, or if sharp is more your style than grab the naturally sharp wedge. Both cheeses are perfect for melting onto sandwiches or burgers and pair wonderfully with ales and stouts. Usually \$6.99 per 7oz wedge both the aged and naturally sharp will be on sale this week for \$5.99! Cheers and Bon Appetit!
