

**OPSTAL
CHENIN BLANC
2019**

New to our 2 for \$24 section this week and the big brother to a fan favorite in the 2 for \$16 section, Sixpence White 2019, the Opstal Chenin Blanc 2019 is a fabulous choice for a summer white. Winemaker, Attie Louw holds true to the generations before him in making some of South Africa's best Chenin Blanc. Wildly versatile, and just so fresh and so clean, anyone would be remiss not making this classy Chenin Blanc a staple at your table or on your patio. Bursting with pineapple, peach and zest, this beauty has many layers to peel back with its leesy complexity and soft, elongated finish from 8 months in French oak. This Chenin will rock the house with barbeque chicken, crispy potatoes and a veggie medley!

This week's food pick is an exceptional line of flavor infused goat cheeses with groovy names and far out flavors. Cypress Grove dairy farms from California opened its doors in 1983 by Mary Keehn, a self-proclaimed "serious hippie," who traveled abroad to France to learn the art of cheese making from the masters themselves. Upon her arrival home it was clear she was inspired to create unique flavor combinations with fresh goat cheeses that were suited for the adventurous palate. With names and flavors such as, "Purple Haze" made with lavender and fennel and "Psychedilic" infused with fresh dill, these cheeses are sure to awaken the taste buds. Usually \$6.99 per 4oz disc, both flavors will be on sale this week for \$4.99 and pair wonderfully with crisp refreshing whites and roses. Cheers and Bon Appetit!
