

## ACUMA JUMILLA MONASTRELL BLEND 2018

I have always been a huge fan of the quality of wines coming out of Spain and the value that comes with them. There is an abundance of indigenous Spanish varietals and styles of wines that appeal to all walks of wine drinkers. This week's wine of the week is a medium bodied red blend; expressive and juicy with red and black fruits that mingle with a lightly wooded background and a toasty finish. Composed of 70% Monastrell, 20% Syrah and 10% Petit Verdot, and aged four months in American oak. This wine is lush and spicy with a hint of wood giving the wine a good backbone. Beautifully bright and cherry garnet in the glass, the wine is silky and easy on the palate while still holding good structure and acidity. A perfect wine for sitting at the firepit during these brisk fall evenings!

I think it was Annie Lennox who said, "sweet dreams are made of cheese. Who am I to dis a Brie." Right? Ok so maybe those aren't the exact words to the famous Eurhythmics' song. This week be sure to grab a piece of the lovely La Bonne Vie Brie, a soft cheese made of cow's milk, with a deliciously creamy and buttery taste and a snowy-white edible rind. Brie is one of the most versatile cheeses when it comes to accompanying other foods and drink. It's excellent when baked and works well with a number of toppings such as apples, pecans, honey, olives, sundried tomatoes, just to name a few. But this particular cheese is also great for eating plain with crackers or a fresh baguette. Be sure to stock up on this delectable fromage on sale this week for only \$4.99, usually \$6.99 per 8oz wedge. Cheers and Bon Appetit!
