

HONORO VERA MONASTRELL ORGANIC 2019
 Since it is pretty darn cold out there this week I wanted to write up a red wine and was having a Cabernet sort of craving. However, I couldn't decide on a Cabernet from our organic selections so I went with what I thought would not only satisfy that Cabernet craving but draw some well-deserved attention to a grape that any Cabernet drinker would love! These organically grown Monastrell grapes have been tended to by four generations of the internationally recognized Gil family in Jumilla. Juan Gil, the more popular label in their repertoire is the flagship, but this Honoro Vera Monastrell Organic 2019 is absolutely delightful! The stark contrast in temperature during the day and night as well as the stony earth that the vines are planted in give the distinct characteristics of not only Jumilla but the Gil family's prowess in winemaking under such conditions. From the kingdom of Monastrell we are happy to present you with this wine that engulfs your nostrils with a fantastic bouquet that is followed up with the same richness on the palate delivering fresh, dark fruits that fill your mouth and finish with lingering tannin. Great with a hearty stew on one of these chilly evenings! - cheers!

Valentine's Day is just around the corner and this week's food feature is the perfect Valentine's Day gift. Chocolaterie Stam is a fine European chocolate company with history that goes back to the early 1900s in a little village just north of Amsterdam in the Netherlands. After years of being urged by customers to focus exclusively on chocolate, founder Jacobus Stam turned his bakery into a fulltime chocolate shop. Since its inception Stam has endured two world wars and a great depression all while managing to survive and bring their passion for fine chocolates to the states, opening up their first US location in 1998. These chocolates are absolutely amazing. They are as tasty as they are beautifully enticing to look at. One bite gives you that satisfaction of closing your eyes to enjoy a moment of pure tasting bliss. This week save on their 14-piece (\$19.99) and 16-piece (\$25.99) Signature Bonbons. These delicious, beautifully packaged confections are perfect for Valentine's Day and will be \$3 off their original price. Enjoy these chocolates with a glass of Port or Zinfandel or even a robust stout that has chocolate undertones to it. Cheers and Bon Appetit!
