

### DREISSIGACKER ORGANIC DRY RIESLING 2019

An immense amount of thought goes into each and every Dreissigacker wine. With organic practices implemented in the vineyards and a hands-on approach in the cellar, the Rieslings produced by Jochen Dreissigacker are exceptional. Dreissigacker's vines are planted in some of the oldest vineyards in the Rheinhessen region of Germany and while the Mosel and Rheingau tend to receive more praise, the wines coming out of the Rheinhessen should absolutely be explored. If you've never dabbled in German wine, this is a great introduction to dry Riesling. Try a glass with watermelon and cucumber salad topped with feta or your favorite ceviche recipe! Cheers! - Jamie

Everything this week will be better, if you pick up a wedge of the Grafton's Smoked Chili Cheddar. Based in Vermont, Grafton is an award-winning dairy farm whose mission is to protect and enhance the social, economic, and cultural wellbeing of Vermont's small communities and their rural way of life. Their Smoked Chili Cheddar is a rich cheese with no shortage of flavor. Infused with habanero, jalapeno and pasilla peppers giving the cheese the right balance of heat. The cheese is then cold-smoked over maple and hardwood chips adding a woody depth to balance the spicy flavors that all meld together around the cheeses creamy, buttery texture and flavor. While some will snack on this cheddar straight-up on a cheese board, this is a cheese that can benefit from the right pairing. Mustard, fruit compotes and spreads, or dilly beans (we have all of the above) are all excellent choices that balance and play off of the smoky and spicy flavors. This cheese is also very meltable, perfect for adding to burgers, grilled cheese sandwiches or even poutine. Usually \$7.99 per 8oz wedge, the Grafton Smoked Chili Cheddar will be on sale this week for only \$4.99! Cheers and Bon Appetit!
