

**CARPINETO  
DOGAJOLO  
TOSCANA ROSSO  
I.G.T. 2019**

Carpineto sets the bar high for sustainable winemaking in Italy. Their vineyards, olive groves, and the woods surrounding both absorb roughly 26% more carbon than their winemaking production emits. Dry-farmed, hillside vineyards in the very heart of Tuscany produce the fruit for their Dogajolo Rosso. Thought of as a young "Super-Tuscan", Dogajolo is a blend of 80% Sangiovese and 20% non-indigenous varietals - in this case, Cabernet Sauvignon. Youthful fruit makes for an approachable wine full of blackberry and cherry, while time in oak helps add complexity with notes of sweet baking spices and hints of coffee. While this wine pairs nicely with standard Italian fare such as pizza and red sauce based pasta dishes, it will really shine next to Italian pot roast served over creamy polenta, topped with shaved parmesan and flat leaf parsley.

In Grafton, Vermont the Windham Foundation, a non-profit organization, has been preserving and enhancing the social and economic health of rural communities through the power of cheese. The foundation supports a number of cooperatives, one being the Grafton Cheese Company who has been making award winning artisanal cheddars for over 50 years. This week be sure to pick up a piece of their Smoked Maple Cheddar, a New England classic, that is cold smoked over maple and hardwood. It's mild, buttery flavors with aromas of campfire and a little sweetness, reminiscent of toasted marshmallow, really evokes a taste of fall in every bite. Melt this cheese onto a ham sandwich with mustard, or chop onto a cheese board with smoked meats and dried fruits and be sure to pair it alongside a glass of Pinot Noir or a robust Porter. Usually \$7.99 per 8oz wedge the Grafton Smoked Maple Cheddar will be on sale this week for \$5.99. Cheers and Bon Appetit!
