

ERATH PINOT BLANC

Four generations and over 40 years of winemaking expertise go into every bottle that Erath produces. They have been operating in the Dundee Hills of Oregon longer than any other winery and their 1982 vintage inspired a wave of elite winemakers to plant Burgundian varietals throughout Oregon. At Erath, like many other wineries in the state, Pinot is their specialty. Not only Pinot Noir, but Pinot Gris and the variety I am featuring today, Pinot Blanc flourish in the marine climate and iron-rich soils. Pinot Blanc is a mutation of the Pinot Noir grape, giving it a unique body and fleshiness on the palette. Good acidity supports flavors yellow apple, citrus, and peach skin complimented by floral aromas with hints of honey. This is a great paring option for the turkey feast that is only a few weeks away! Cheers! Jamie
